Mission Statements and Learning Outcomes

Doctor of Physical Therapy Program

Prepare entry-level physical therapists who optimize human movement and function by providing educational opportunities in practice, service, and research.

Student Learning Outcomes (SLOs) for the DPT program are:

- **SLO #1** Obtain the foundational knowledge and skills to sit for the national physical therapy licensure examination required to assume roles as competent entry-level physical therapists.
- **SLO #2** Gain experience in diverse practice settings or with a variety of patient populations.
- **SLO #3** Be skilled in patient education.
- **SLO #4** Develop habits of critical reflection and self-directed learning.
- **SLO #5** Acquire professional advocacy and inter-professional collaboration skills.
