# **B.S.** Radiographic Science

### **Program Admissions Requirements**

Admission to the Radiographic Science Program is competitive. Students will be evaluated using the grade point average of the required General Education and Prerequisite Courses. A minimum grade point average of 3.0 is required to apply. Procedures for admission to the program include:

- 1. Complete procedures for admission to the university.
- Complete and return the radiographic science application form and required fee.
- 3. Complete the required General Education and Prerequisite courses.
- 4. Submit official transcripts of all college and/or university courses completed.

#### **Application Deadline**

The above admission procedures must be completed and received by the Radiographic Science Program by **May 15th** of the year the student is seeking admission. If the 15th falls on a weekend or holiday, the application must be received by the Friday preceding the deadline date. The first professional year begins in the fall semester.
