

B.S. in Workplace Training and Leadership - Career and Technical Teacher Education Option (WTL-CTE)

The Workplace Training and Leadership with a Career and Technical Teacher Education (WTL-CTE) option prepares persons for instructional responsibilities in career and technical education. The program includes content applicable to State of Idaho standards for Career and Technical educators. It emphasizes teaching career and technical subject areas in secondary and post-secondary institutions.

The degree is comprised of WTL-CTE Program Core courses, WTL-CTE Recommend Elective courses, General Education courses, and Free Electives. The WTL-CTE Elective courses will be tailored to the individual's degree plan to complement the student's career choice and should be chosen in consultation with the WTL-CTE advisor. WTL-CTE Electives may include: Technical Specialization courses (from AAS, AS, certification, apprenticeship, ACE, or similar accredited occupational program), competency-based experience courses (CBE), and upper and some lower division courses (OLP and non-OLP coursework) complementary to the student's career path. Other courses than those listed for WTL-CTE Recommended Electives will be considered in consultation with a WTL-CTE faculty member.

General Education

The listing below includes program requirements that also fulfill General Education requirements.

Code	Title	Credits
