## Secondary Natural Science 30 Credit Endorsement

## \*\* Must be accompanied with either Biology, Chemistry, Geology, or Physics 20 credit endorsement.\*\*

Select credits from **each** of the following fields, **excluding** the field chosen for the 20 credit endorsement. For example, if the 20 credit endorsement is in Biology, the coursework for the Natural Science endorsement would require the credits listed below in the areas of Chemistry, Geology, and Physics.
